## A Game of Chicken

### A Game of Chicken

Chizuru watched as Heisuke, Okita, and Shinpachi played a game of chicken outside in the lamplight that one summer's day. She had just gotten done washing the sake bottle's that the group had all drunk that during the party that night. She was used to this by now because every summer they had a party on a night where they had no patrol and had just free time for themselves.

"Oi Chizuru~! Could you come here for a second~!" Asked a drunken Okita as he laughed with Shinpachi with one arm around his friends shoulder. She nodded and replied, "Yes! Coming!" She set down the bottles on the side of the deck and went down to where the three friends we're laughing light heartedly. "What do you need Okita san?" She asked him in a happy voice.

Okita looked and smiled as he then said to both Shinpachi and Heisuke, "Alright, now for the second challenge of Chicken, one of you two must kiss Chizuru-Chan here~!" That made the young girl blush a crimson red as Heisuke and Shinpachi followed her and blushed as well.

"W-Why would we do that? You are such a cheater, you know you have one more points than me and Heisuke combined and now you want us to K-KISS Chizuru!" Shinpachi complained as he pointed accusingly at Okita, Heisuke was trying to come back to reality from what Okita said in the first place and kept on mumbling, "B-But I haven'tâ€|. I mean I want to butâ€| nowâ€|.."

Chizuru didn't know what to do because her body wouldn't respond to her thoughts; she was too lightheaded with the thought of being kissed by one of them in general. She didn't mean that she didn't like them or they weren't cute or anything like that, in fact all of them were her type but she just couldn't believe that they would wagger her lips up just like that.

Okita chuckled and said finally, "Alright then, if you guys won't kiss Chizuru then I'm going to do it myself and win the game of Chicken." He wrapped an arm around Chizuru's waist and just as he was about to pull her in for a kiss Heisuke kicked him in the shin and shouted, "OVER MY DEAD BODY!"

Okita hopped on one foot as he then laughed and said, "Well if you're so protective of her why don't you just kiss her then huh Heisuke-kun~" That made Heisuke and Chizuru blush, unlike Okita and Shinpachi, Heisuke was just Chizuru's age and they were in the same situation where they liked each other but couldn't bring themselves to just tell each other yet.

Shinpachi couldn't stand it anymore and signaled Okita for their secret "Plan" He grabbed Heisuke by the shoulders and Okita pushed Chizuru toward Heisuke and together they smashed them together for the two to kiss. Heisuke and Chizuru were blushing like mad as they drew apart, while Shinpachi and Okita started to sing merrily, "First comes love, then comes marriage, here they come with the baby carriage~"

Heisuke just trembled and Chizuru, who was blushing as bright as crimson, started to laugh and the three men looked at her and joined. It was a funny memory to be cherished and Heisuke and Chizuru will remember it for as they lived.
